PRESIDENT: The bill is advanced. LB 1064, please.

CLERK: 1064, by Senator Conway. (Read title.) Introduced on January 11, referred to Revenue, advanced to General File. I have no amendments to the bill, Mr. President.

PRESIDENT: Senator Conway, please.

SENATOR CONWAY: Mr. President and members, LB 1064 changes the requirements for withholding for nonresidents for their personal services in Nebraska. Private individuals no longer have to become licensed to withhold from payments less than \$5,000. Also withholding for those engaged in business who are used to doing withholding will only have to withhold once the excess has reached \$600. Last year we inadvertently made a change so that if an individual hires a service individual out of state, a TV repairman or whatever crosses the border, that individual is expected, under current law, to start withholding on the first dollar. That was an inadvertent situation. We do have a lot of communities that we have shared services across the state line. So an individual will not have to withhold until they have had a contract of \$5,000 or more.

PRESIDENT: The question is the advancement of the bill. All those in favor vote aye, opposed nay. Record, Mr. Clerk, please.
